MOLDEX

Ear Plug Dispensing Systems

Consists of a disposable dispenser prefilled with a supply of ear plugs to provide a convenient all-in-one unit. Dispenser can be thrown out when empty to eliminate the hassle of refilling. Protects ear plugs from dust while keeping them readily available for use. Dispense ear plugs one or two at a time to minimize waste and supply clean ear plugs for each user. Dispense ear plugs one or two at a time to minimize waste and supply clean ear plugs for each user. Require wall mounting and include a bracket for installation. Once installed, the bracket can be reused with replacement Moldex dispensers.
