Leather Welding Jackets

- Cowhide leather
- Snap closures on front, collar, and wrist
- 30" length

Naturally abrasion and flame resistant for use in applications with heavy sparks and spatter. Lock stitched with flame-resistant Kevlar thread. Stand-up/roll-down collar snaps securely in place for additional neck protection. Adjustable waist cinch straps provide tapered fit. Inside pocket protects items from spatter.

1215

Made from premium side split leather for rugged, everyday wear.

8215

Made from side split leather for durability and long wear. Soapstone pocket on each sleeve.

9215

Unique Weld-Cool design features underarm ventilation and riveted open seam upper back to provide air circulation and cool comfort. Satin-lined shoulders and upper arms for easy on/off. Soapstone pocket on each sleeve.
