		13	L	Lime	Condor	491T23

## Non-ANSI Rated High-Visibility Vests

Made of brightly colored fabric and available with reflective stripes to increase visibility of workers and pedestrians. Non-rated (Type O) vests are for use in off-road settings such as warehouses and manufacturing facilities.

**J6044** features breakaway points that release to pull the vest off the worker if caught in machinery or an obstruction.
