

Bulk and Unitized First Aid Kits

Kits contain first aid treatment for common injuries.

Bulk Kits—Nonunitized and contain larger quantities of supplies. Metal Cabinets 39N795, 39N789, and 39N821 include shelves.

Unitized Kits—Kits include packs that hold individually sealed dose units and are color-coded by application; blue for antiseptics, yellow for bandages, red for burn treatment, orange for personal protective equipment, and green for miscellaneous.
