Work Pants and Jeans

INDUSTRIAL WORK PANTS

■ Style 2112272

Multiple pockets include deep, reinforced front pockets and left back pocket with button closure. Feature wide belt loops. Durable pants are made of 65% polyester/35% cotton vat-dyed wrinkle-resistant twill that is industrial-wash friendly and has stain release properties. Relaxed fit.

TRADITIONAL WORK PANTS

■ Style 874

Work pants have a center crease for a professional look. Printed waistband for comfort. Details include tunnel belt loops and 4 pockets (2 front and 2 welt back pockets; back left pocket has button closure). 65% polyester/35% cotton wrinkle-resistant twill has stain release properties. Original fit.

PAINTER'S PANTS

■ Style 1953

Pants are designed to fit over work boots. They have triple-stitched felled seams for durability. Details include multiple tool pockets, hammer loops, rule pocket on right leg, and double back pocket. 100% cotton painter's drill. Relaxed fit.

PREMIUM INDUSTRIAL CARGO PANTS

■ Style 2112372

Durable cargo pants have a gusseted crotch and wide belt loops. Features reinforced front pockets and 2 cargo pants with hidden zipper closure;

extra pockets on outside left cargo pocket and inside right cargo pocket. 65% polyester/35% cotton vat-dyed twill. Relaxed fit.

PERFORMANCE SHOP PANTS

■ Style LP605

Feature 6 multifunctional pockets from cell to bellow. Back pockets are angled for easy access. These durable pants sit slightly below waist, have a straight leg and provide extra room in seat and thigh areas. Comes equipped with StayDark technology and feature moisture wicking abilities along with contour yoke for ease of movement. Made of 65% polyester/35% cotton this flexible, wrinkle-resistant twill has stain release properties and is industrial wash friendly. Heavy CB belt loop and double knee has opening for kneepad. Relaxed fit.

CARPENTER JEANS

■ Style LU200

Tough, heavyweight denim fabric with triple-needle stitching on the side seam, yoke, and seat seam for long life. Straight-leg style with a relaxed fit that sits slightly below the waist with extra room in the seat and thigh for a more comfortable fit. Include a hammer loop and dual tool pockets. The pre-washed denim is durable enough to withstand industrial laundering.

Chelsea Construction Pants

■ Style 76488

Lightweight and highly durable, yet comfortable for all day use. Jeans feature Cordura fabric 1% polyamide-reinforced knee, bottom hem, and hanging pockets for long life. Designed with a gusseted crotch for greater durability and movement, plus a raised back for a comfortable fit in any position. Have 2 front pockets, 2 back pockets, 2 hanging pockets in Cordura fabric with double bottom for long life, polyester loops for screwdrivers and pliers, thigh pocket with flap, and a handy ruler pocket. Versatile jeans come with extendable leg length for varying body shapes, adjustable kneepad position for a more comfortable fit, and reflective material for added visibility. 79% cotton, 21% polyester, with reinforced 100% Cordura fabric.
