

## Universal Sorbent Socks & Booms

Tubular, flexible socks and booms conform to most shapes or uneven surfaces. They surround spills and prevent the spread of both oil- and water-based liquids. 35ZR51 has a stainless steel clip connector.

## Universal Sorbent Floor Mats

### ■ Flame-resistant (except 5UZ62)

Sorbent mats absorb leaks, drips, oils, coolants, and solvents along walkways, under workstations, and in industrial settings. Mats with adhesive backing won't shift or slide and help minimize the risk of slips, trips, and falls.
