

## Oil-Only Sorbent Socks & Booms

Flexible, tube-shaped socks and booms surround, absorb, and clean up oil-based liquid spills. They conform to uneven surfaces or float on top of water. 30RC44 is designed for outdoor use and can be cut-to-size depending on the application. **Spaghetti sorbent booms** have a mesh skin and spaghetti-strip filter. They contain and absorb thick oils and other viscous liquids floating in water.

## Oil-Only Sorbent Ground Mats

UV-resistant, reusable mats absorb leaks and drips outside and prevent oil-based liquids from soaking into the ground. These mats have a durable bottom layer and withstand heavy foot traffic. Black color.

Size	Volume Absorbed Per Pad	Pkg. Qty.	Pkg. Type	Material	Backing Material	Item No.
5 ft x 60 in	3 gal	1	Box	Polyethylene, Polypropylene	Polyethylene	30RA93
5 ft x 80 ft	6,144 gal	1	Box			30RA97
10 ft x 10 ft	12 gal	1	Box			30RA94

## Oil-Only Sorbent Pillows

These pillows are thicker and soak up more oil-based liquids than sorbent pads or rolls. The polypropylene filler and skin repel water and absorb oil-based spills under machinery and in spill trays. They wedge into hard-to-reach areas or float on water. White color.
