

**1-800-GRAINGER (472-4643)**

**Harness D-Ring and Buckle Types**

**D-RING TYPES**  
**Back D-Ring**—Standard with all harnesses for fall protection.

**Side D-Rings**—Allow hands-free work when used with a positioning lanyard.

**Mating Buckle**—Push center bar buckle through square link.

**Quick-Connect Buckle**—Similar to a seat belt.

**Front D-Ring**—For climbing, confined space, and rescue applications.

**BUCKLE TYPES**  
**Friction/Pass-Thru Buckle**—Pass webbing through bar and then back between bar and frame.

**Tongue Buckle**—Similar to a belt buckle.

**Cam Buckle**—1-handed, simultaneous strap adjustment.
