DBI SALA

Portable Guardrail System

Helps eliminate fall hazards by preventing personnel from falling to lower levels. Free-standing system doesn't require surface attachment so you can create custom configurations for floor or wall openings, hatchways, manholes, shafts, or truck docks. The simple set-screw design allows easy installation. The durable finish helps resist corrosion for long life.
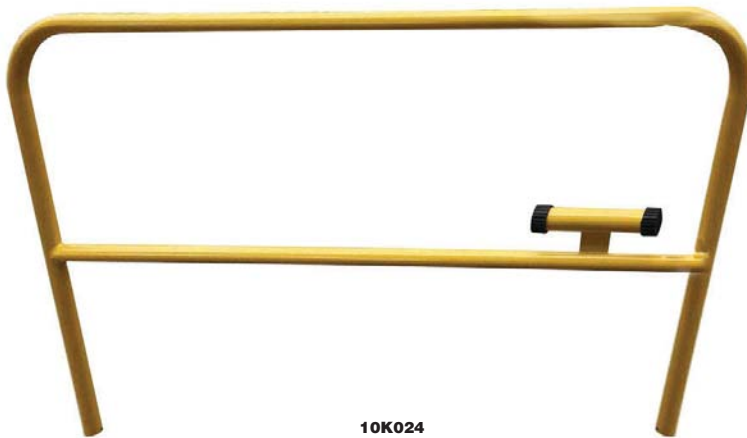

Guardrail Roof Kit—Includes the items you need to create a free-standing safety barrier.

Guardrail Gate—Compact gate is adjustable from 23" to 38"L.

Guardrails—Require Guardrail Base Assembly 5KCX6, sold separately.

Guardrail Base Assembly—Rubber pad on bottom helps provide skid resistance and protects surfaces from damage.
