Emergency Deck and Wall-Mount Eyewashes and Drench Hose/Eyewashes

■ Meet ANSI Z358.1-2014

Single- and dual-head units with hose can be removed from holder to use as drench hose. Dual-head units are also fixed eyewashes. All other units are designed for mounting on deck next to sink, except 2LVK4 mounts behind sink. Dual-head models feature stay-open valve handle locking clip. Swing-activated eyewashes swivel out 90° to operational position. All include ANSI Compliant identification sign.
