Fire Extinguisher Cabinets

■ Clear window allows visibility

Cabinets accommodate most common sizes of fire extinguishers and provide easy access in an emergency. High-impact, crystal Polystyrene cabinets are dent-proof and cannot rust. Offer UV-resistant cabinet, break panel, and labels.

Description	Cap.	Window Material	H	Cabinet Color	Indoor/ Outdoor	Brand	Item No.

Fire Extinguisher Covers

■ Meet OSHA requirements

High-visibility, vinyl-coated red covers have a clear plastic window. Hook-and-loop self-adhering nylon fasteners help to keep the covers in place.

Cap.	Fits Tank Dia.	Fits Tank H	Item No.
5 to 10 lb.	5 in	23 in	4T176
15 to 30 lb.	9 in	27 in	4T177

Emergency Escape Ladders

Lightweight steel ladders provide a fire escape route through an open window for floors above ground level. They store compactly and deploy quickly, attach to most window sills. Anti-slip rungs provide a safe descent, tested up to 1000 lb. Discard after single use.
