

Find more Safety Cabinet information on page 1836.

Cylinder Storage Information

Ventilated sides on cylinder cabinets prevent build-up of vapors and gasses that can cause an explosion. Assembled cabinets have welded seams for durability.

ORIENTATION:
Horizontal stores LP gas cylinders that are stored on their side.

Vertical holds LP or compressed gas cylinders that are stored on end.

Horizontal and vertical holds compressed gas cylinders vertically and LP gas cylinders horizontally or vertically.

Liquid Propane Gas Cylinder Safety Cabinets

- All Condor and Justrite cabinets meet NFPA Code 30 and 58 Standards; Also meet OSHA standard 1910.110
 - Jamco models meet OSHA 1910.101 and 1910.253
 - All Condor and Justrite cabinets are padlockable for extra security
- Safety cabinets hold propane and other liquid propane gas (LPG) cylinders.

Horizontal Steel Holds 8 Cylinders 5CHL1

Horizontal Steel Holds 12 Cylinders 8E498

Vertical Aluminum Holds 8 Cylinders 13M586 (Cylinders not included.)

Cylinder Cap.	Ext. Dim. (W x D x H)	Material	Color	Door Handle Type	No. of Shelves	Assembled/Unassembled	Compatible Tank Size	Brand	DOOR CLOSURE MANUAL Item No.	TYPE SELF-CLOSING Item No.

Compressed Gas Cylinder Safety Cabinets

- All Condor and Justrite cabinets meet NFPA Code 30 and 58 Standards; Also meet OSHA standard 1910.110
 - Jamco models meet OSHA 1910.101 and 1910.253
 - All Condor and Justrite cabinets are padlockable for added security
- Vertical cabinets hold compressed gas cylinders that must be stored upright.

Steel Holds 9 Cylinders 5CHL5

Steel Holds 10 Cylinders 9WHC1

Aluminum Holds 20 Cylinders 4HUA5 (Cylinders not included.)

Vertical Cylinder Capacity	Ext. Dim. (W x D x H)	Material	Color	Door Closure Type	Door Handle Type	Assembled/Unassembled	Compatible Tank Size	Brand	Item No.
4	30 1/8 in x 29 3/4 in x 34 1/2 in	Steel	Yellow	Manual	Hasp Lock	Assembled	50 lb	Condor	491M79

Combination Liquid Propane & Compressed Gas Cylinder Safety Cabinets

- Manual door closure
- Meet NFPA Code 30 and 58 Standards
- Meet OSHA 1910.110
- Padlockable, hasp lock door handle

Cabinets have spaces to hold gas cylinders vertically and horizontally.

Steel Holds 8 LPG; 9 Compressed Cylinders 3 Shelves 5CHL4

Steel Holds 8 LPG; 9 Compressed Cylinders 4 Shelves 491M92

Cylinder Cap.	Ext. Dim. (W x D x H)	Material	Color	No. of Shelves	Assembled/Unassembled	Compatible Tank Size	Brand	Item No.
8 LPG Cylinders; 9 Compressed Gas Cylinders	60 in x 30 in x 65 in	Steel	Yellow	3	Unassembled	20 lb to 48 lb	Condor	5CHL4
