Tactical Gear

Black color

Lightweight Patrol Gloves—Form-fitting gloves slip on easily. Lycra twill backhands provide stretch and breathability. Palm has perforated air vents and elasticized wrist opening.

Unlined Hybrid Duty Gloves—These all-purpose gloves are good for year-round use. Feature easy-on/off pull tab with low-profile knuckle zones. Reinforced palm panels and Spandura backs for added strength. Hook-and-loop wrist closure.

All-Leather Gloves with Knuckle Armor—All-purpose, contoured, tight-fitting gloves have integrated hard knuckles, leather piping, and reinforced palm panels for extra durability. Tab pull allows for easy on/off. Hook-and-loop closure.

Nitro Kevlar Tactical Gloves—Carbon-Tek fiber knuckles help deflect blows and debris. Kevlar on back of hands is flame-/flash-retardant and cut-resistant. Premium quality, digital-print aniline finished cowhide palms and trim. Hook-and-loop closure for a secure fit.

Imperial Neoprene Knee/Shin Guards—Silent and form-fitting knee/shin guards feature durable neoprene outer shell with reinforced stitching throughout.

Imperial Hard Shell Knee Pads—Hard shell polyurethane thermoplastic nonslip knee caps and reinforced foam padding for greater shock absorption and comfort.
