5000 Series Lever Locksets, Grade 1 and 2

- Backset: 2¾"
- Strike: 4⅞" x 1¼" x 1¼" ANSI

Nonhanded, field reversible. Zinc dichromate plating resists corrosion. Keeyed different. Heavy-Duty 5400LN series includes Free Wheeling design that helps minimize vandalism by allowing the lever to rotate freely when locked. For 1¾" - to 2"-thick doors. Standard-Duty 5300LN series is for 1⅜" - to 1¾"-thick doors. Models without cylinders accept both Yale and Schlage cylinders. MicroShield antimicrobial coating inhibits the growth of bacteria and lasts the lifetime of the finish.
