Lockout Safety Tags

Safety tags help prevent injuries by reducing the possibility of an unexpected startup when servicing a machine. They are commonly posted near machinery lockout points and they are also used to identify locked-out equipment and mark safety centers where equipment is stored. Tags feature a write on surface with a 3/8" hole size. All tags have a black legend color. Equal number of nylon ties included with each package.

Legend	Reverse Side Legend	Material	Background Color	H	W	Brand	10 Item No.	Pkg. Qty 25 Item No.	100 Item No.
Do Not Energize This Lock/Tag May Only Be Removed By	Danger This Energy Source Has Been Locked Out Unauthorized Removal of This Lock/Tag May Result In Immediate Discharge Remarks	Plastic	Red, White	5 3/4 in	3 1/4 in	Condor	48RU19	48RU20	48RU21
