

Padlock Lock Boxes, Stations, and Cabinets

■ Padlocks sold separately; see page 1954 and 1955

Plastic Lock Boxes—Clear acrylic window provides visual check of contents. Wall-mountable with predrilled holes. 5TB19 and 5TB20 include attached plastic hooks. 3PDE2 and 5TA68 feature built-in lock rail and snap-in key hooks.

Steel Lock Boxes—Brady models are tamper-resistant. Master Lock models are wall-mountable with a stainless steel handle. Lockout message on box is in English,

Spanish, and French. All boxes feature a powder-coat finish.

Steel Stations—Plastic-coated 14-ga. steel construction.

Cabinets—Durable PVC cabinets are excellent for office environments. 3ZG26 includes pegs for 8 keys. 3ZG27 has 20 key hooks. 15Y607 is a lockable steel cabinet with 2 keys.

Padlock Caddy—Features ergonomic handle, belt slots, and lanyard for keys. Plastic construction.

Lockout Hasps

- Scissor-action hasps open and close similar to scissors
- Snap-on hasps push open then snap closed with spring-loaded locking arm

Lockout Hasps—Locking holes accommodate most standard lockout padlocks.

Labeled Hasps—Lock out power on line or equipment while displaying tagout message on writable, erasable surface.
