

1-800-GRAINGER (472-4643)

Continuous Steel Piano Hinges with Holes

■ ½" knuckle height

Steel hinges have countersunk mounting holes to aid surface-mounting hinges to door or frame. Pins and hinges are made of the same material. Additional sizes and finishes available on Grainger.com.

Continuous Steel Piano Hinges without Holes

■ Nonremovable pins

More corrosion resistant than brass hinges. Can be surface mounted by drilling holes and using fasteners, or spot welded. Hinges can be cut with a hacksaw. Additional sizes available on Grainger.com.
