Municipal Fire Hose

JAFLINE HD—Synthetic, double-jacket fire hose with rubber lining has excellent resistance to ozone. Outside jacket resists moisture and abrasion. Use with NST/NH fittings.

JAFLINE—Synthetic, double-jacket fire hose has polyurethane lining to reduce size and weight. Outside jacket resists moisture and abrasion. Use with NST/NH fittings.

JAFRIB—Synthetic nitrile/PVC extruded through-the-weave fire hose has a ribbed jacket that resists acids, alkalis, gasoline, oils, and ozone. Use with NST/NH fittings.

JAFX4—Synthetic 4-layer hose made with high-tenacity, circular-woven yarn is completely enveloped in a tough synthetic rubber. Couple with NST, NPSH, Storz, or other special couplings.
