Panelboards**

- Complete panelboard requires interior, enclosure, and flush or surface cover
- NQ panelboards are for use with QO (plug-in) or QOB (bolt-on) breakers; see page 197
- NF panelboards are for use with EDB (bolt-on) breakers; see page 197
- Tin-plated aluminum or silver-plated copper construction
- Use with ground bar kit 5B716 (not included)
- Use NQ adapter kits with Q and L frame breakers, available on Grainger.com®
- Use NF adapter kits with H and J frame breakers; see page 197

Preassembled main lugs save installation time. Convertible to main breaker. End-mounted split neutrals put neutral connections on the mains end of the panelboard, away from the high-density wiring area of the panel-side gutters. UL Listed.
