**2-Tag Key Cabinets**

Cabinets are made of heavy-duty steel with baked-on powder-coated finish for durability. Each cabinet includes different numbered key tags and lock location charts. Hook-style key tags are numbered consecutively. Each hook holds 1 control key with a red permanent tag and 1 duplicate loaner key with a white reusable tag. In case loaner key is lost, the control key remains in cabinet. An "out key" tag is hung in the same position as the loaned key. Date, key number, and recipient can be recorded on receipt sheet.

**CABINETS**

Help keep track of loaned keys. Come with consecutively numbered, slotted-style, reusable key tags. 5KDJ7, 5KDJ8, and 5KDJ9 are hook style. Record loaner information (key number, date, and recipient) on the "out key" tags and hang them in the loaned keys area. Wall mount.

**BINDER**

Vinyl construction with metal-reinforced corners and a zipper to keep binder closed and contents secure. Binder comes with 3 base units, 42 snaps, 42 plastic key tags, and labels to organize up to 42 keys. Snap-in tabs allow keys to be removed and inserted easily.

**HANGING FILES**

Fit in a standard, letter-size filing cabinet.
