ALARM LOCK

Trilogy Electronic Access Control Locks with Audit Trail, Grade 1

- Key override; standard core (included) or SFIC cylinder (not included)

Electronic door locks help eliminate the problem of lost keys and rekeying costs. Replace a standard knobset. Work in conjunction with panic bars from Von Duprin, Yale, Sargent, or Adams Rite on glass/narrow-stile doors. Use 5 AA batteries (included).

PIN/ID CARD CONTROL

Create multitiered security at 4 levels: master, manager, supervisor, or general user. Manage up to 500 automatic lock/unlock schedules (by day, date, weekend, or holiday). Operating temp.: -31° to 151°F. Field reversible.

24U104 is a programmable double-sided lock with both proximity card and keypad PIN access.

Programmable Keypad 1HUZ8 has remote-release/request-to-exit input that allows use with REX switches. Wall- or single-gang box mount.

ID CARD CONTROL ONLY

Proximity-only locks have no keypad; accept both prox cards and keyfobs for access. Tap-and-add feature makes it easy to batch-add multiple ID cards with or without PC. PC programming/reporting.

CODE ONLY

24Z459 provides multilevel security: master, manager, supervisor, and basic; can be programmed at the keypad with PC and/or data transfer module. Quick passage mode allows emergency access.

Double-Sided Proximity Lock 24U102 has direction-specific access that can be assigned, per user, for either side of the door.

1HWL3 and 1HWL4 have a privacy button on inside of door to disable all other codes for a programmable duration when temporary sessions of privacy are needed. Programmable Keypad 1HUZ6 has remote-release/request-to-exit input that allows use with REX switches. Wall- or single-gang box mount.

ACCESSORIES

Trilogy Windows Software 1HYC3 can manage users and schedules, receive audit trail from lock, program lock using PC, and program/configure Handheld Data Transfer Module 1HYB8. Can transfer program data from PC to lock and receive audit trail from lock. Wireless Infrared Printer 1HYC4 is a handheld unit that can print time- and date-stamped audit trail.
