

Ceco Door
ASSA ABLOY

Steel-Stiffened Doors

- 18-ga. steel
- 1 3/4"-thick doors

Designed to take most abuse without failure. 22-ga. steel stiffeners are placed inside the door every 6" and welded every 5" along the length of the stiffener. Fiberglass insulation between the stiffeners helps deaden sound. Door top and bottom are sealed with a 16-ga. steel channel welded in place. Doors are handed; come with closer reinforcement.
