## Gorilla Tape

Weatherproof, airtight tape is easy to tear by hand. For indoor and outdoor use.

**Double-Sided Tape**—Bonds plastic, metal, wood, glass, brick, ceramic, and stone. 45DV48 holds up to 15 lb. on smooth and rough surfaces for easy hanging; 49UU23 is an industrial strength double-sided tape with a heavy duty bond. Holds up to 30 pounds. Ideal for indoor and outdoor projects and sticks to smooth and rough surfaces.

**Duct Tape**—Double-thick adhesive grips smooth, rough, and uneven surfaces. Withstands moisture, UV rays, and temperature extremes.

**Repair Tape**—Fix, patch, seal, hold, and protect almost any surface.
