Non-Woven Abrasive Rolls

Scotch-Brite™

An economical alternative to pre-cut pads for effectively hand cleaning male and female threading, and inside of cylinders; cut to size and use only what you need. The flexible, nonloading, nonrusting material conforms to work surfaces for light- to heavy-duty cleaning, deburring, blending, polishing, and finishing. Use on metal, wood, composite, plastics, stone, solid surfaces, and painted surfaces.
