

Single Tube Brush 443N49

Single Spiral Brush 61CY95

Spiral Brush 416N35

Single Spiral 61CZ28

Double Spiral 61CZ14

Tube Brush 416N91

Burrite 61CZ35

## Spiral and Tube Brushes

- Pkg. of 10
- Single spiral shank style
- Manual operation

Use for manually deburring, honing, thread chasing, and cleaning blind and threaded holes.

## Power Tube Brushes

Brushes can be used with power tools for deburring, honing, thread chasing, and cleaning applications on blind and threaded holes. Burritle tube brushes use flat-side action. Use Double Spiral Brushes for heavier-duty applications.
