HUBBELL
HUBBEL

## Tool Retractors

## ADJUSTABLE TOOL RETRACTORS

Include adjustable cable stop and lower safety hook.
Hubbell BD Series-Rugged ABS plastic construction with spring tension adjustment and push-button tension release.
Hubbell BG Series-Steel construction with a black polyester baked finish. Available in both ratcheted and constant pull configurations.

## INDUSTRIAL TOOL RETRACTORS

Speedaire ${ }^{-}$—Rugged steel construction; permanent lubrication; easily replaceable, self-contained main spring. External tension adjustment requires no special tools. Include adjustable cable stop and safety hook.
Ingersoll Rand—Rugged steel retractor has a permanently lubricated, self-contained main spring that is easily replaceable. External tension adjustment requires no tools. Nylon-coated steel aircraft cable with adjustable cable stop and safety hook.

## PRODUCTION TOOL RETRACTORS

Easy cable tension adjustment, in-line alignment of hanger and tool hook, and maintenance-free design.

Speedaire-Die-cast aluminum units feature 3 suspension points.
Ingersoll Rand—Feature in-line adjustment of hanger and tool hook.

## Air Hose Reel Tool Retractors

- No ratchet lock
- 113/4"H x 53/4"W x 41⁄8"D

Retractors use the air hose, instead of cables, to suspend air tools.
