Remote Water Chillers

- Galvanized steel housing
- 115V AC

Water chillers convert non-refrigerated drinking fountains, bottle fillers, and water dispensers into chilled drinking water. These fully enclosed units are indoor rated, available in multiple sizes to serve 1-3 drinking fountains, and install remotely under sinks, counters, or inside walls.

Undersink Pipe & Valve Covers

- Fit most undersink piping
- Easy installation—no tools required
- ADA compliant (except 447P05, 447P06 & 447P07)

Use to conceal piping, electronic faucet connections, mixing valves, and trap primers. Easy-to-clean molded vinyl resists impact, stains, and chemicals.
