

For Sink Material and Bowl Size, see page 2606.

Portable Hand Wash Stations

■ Granite color

Self-contained, hands-free foot-pump operated mobile units provide fresh water for washing hands in busy outdoor settings such as festivals, playgrounds, and construction sites.

Counter-Mounted Drop-In Utility & Laundry Sinks

Utility sinks have a deep single bowl, an opening for drainage, and are made of SMC Fiberglass for extra strength and durability. They "drop" into a hole in the countertop and have an edge that overhangs the countertop to keep it in place. Sink accommodates a single- or dual-handle faucet with a 4" center that mounts to the deck.

Overall Length	Overall Width	Overall Height	Bowl Size	Bowl Depth	Drain Opening	Mfr. Model	Item No.

Wall-Mounted Utility & Laundry Sinks

These service sinks eliminate the need for cabinetry and provide storage space below the sink. They install directly on walls and have a deep bowl for soaking, scrubbing, or rinsing.
