

For information on faucet spout shapes, see page 2614.

## Single-Hole Wall-Mount Bathroom Faucet

Faucet installs into one hole in a wall or on a vertical surface to save counter space in tight or busy bathrooms. Single, low-arc-spout delivers both hot and cold water and sits close to the sink basin. Chrome finish.

## Two-Hole Deck-Mount Centerset Bathroom Faucets

Faucets install onto bathroom sinks that have two centered holes that are 4" apart when measured from center-of-hole to center-of-hole. These one-piece units have a spout and one or two handles on a single base for easy installation.
