## Single-Hole Deck-Mount Kitchen Sink Faucets

Faucets install into one hole on a new or existing kitchen sink or counter. Hot and cold water flows through a single spout. These aerated faucets may be used with cover plates that cover extra predrilled holes in a sink. Chrome finish, except 493J35 is stainless steel. ADA Compliant.

## Two-Hole Centerset Kitchen Sink Faucets

Faucets install onto kitchen sinks that have two centered holes that are 4" apart when measured from center-of-hole to center-of-hole. They can cover an unused middle hole on sinks with a three-hole centerset pattern. These one-piece units have a spout and one or two handles on a single base. Deck mount, except 26Y192 is wall mount. Chrome finish.
