Supply Stops, Faucet Sprayers & Shower Faucets

## Water Supply Stops and Pedals

Water supply stops shut off water supply to faucets, toilets, etc. Foot pedals allow hands-free faucet operation. Tempering valve controls water flow, pressure, and temperature from a faucet spout.

Description	Conn. (In.)	Mr. Model	Item No.
<b>Water Supply Stops</b>			
Straight Stop Fitting	1/2 in FNPT	45-ABCP	26Y299

Tempering Valve, 3/4 in Compression	3/4 in Compression	131-ABNF	6XAH7

## Faucet Sprayer Pre-Rinse Hose Reels

Pull hose out to desired length and it stays in position; reel automatically retracts with a slight tug. With 3/4 in FNPT inlet, heat-resistant handle, and adjustable hose bumper. FNPT connection.

Reel Length	Flow Rate	Includes	Mr. Model	Item No.
15 ft	3.7 gpm	Ceiling or Under Counter Mounting, Heat Resistant Handle and Adjustable Hose Bumper, Multifit Bracket for Wall	B-7212-01	6MT85
30 ft	4.28 gpm	Spray Valve	B-7222-C01	10C483
35 ft	3.89 gpm	Heat Resistant Handle and Adjustable Hose Bumper, Hose, Multifit Bracket	B-7232-01	6MT84

## Shower Faucets

■ 1/2 in connection

Faucets include fixed and/or handheld showerheads, attachment hardware, faucet control handles, and matching trim. Components are interchangeable without altering the behind-the-wall plumbing. All showerheads are single function, except 22LU07, which is dual function. For a complete list of standards, go to Grainger.com and search for individual products.

**American Standard**—One-piece cartridge simplifies installation and maintenance.  
**Bradley**—Adjustable showerhead for a 25° to 30° spray angle.  
**Moen**—Install 4ZF99 with Posi-Temp Pressure Balancing Control Valve to maintain water temperature control in the shower. 52RR02 has an adjustable temperature limit stop.

**Powers**—Thermostatic valves respond almost instantly to dramatic pressure changes. Self-contained cartridge simplifies maintenance and repair.  
**Speakman**—Have chrome-plated, 4-arm handles with color-coded indexes. Reversible valve body and 1/4-turn ceramic cartridges. Galvanized gooseneck with support strap.  
**Zurn**—Feature two service stops/check stops and adjustable limit stop.
