Hoffman

NEMA 12 and 13 Enclosures

Constructed of 16- or 14-ga. steel, and feature seams continuously welded and ground smooth. Bonding provision on door. A51SC Series have ANSI 61 gray polyester powder paint inside and out. Designed with screw cover and is secured in each corner for a positive seal that is easily removed for modifications. A51CH Series have ANSI 61 gray polyester powder paint inside and out. Designed with screw-down clamps for secure closure and can be used in a wide variety of applications. A12 Series have a white inside with ANSI 61 gray finish on the outside. Designed for applications requiring a bright white interior to increase visibility; includes a padlocking hasp and staple for security and screw-down clamps for secure closure.
