

1-800-GRAINGER (472-4643)

Non-Oscillating Office Pedestal Fans

- 3-speed
- 120VAC
- OSHA-compliant guards
- 9-ft. power cord

Fixed fan head to focus cooling on one area in clean, dry environments. The fan head can adjust to point in any direction and will remain that way until manually readjusted. Pedestal height is adjustable. Wheeled base provides portability.

Office Floor Fans

- 3-speed
- 120VAC
- OSHA-compliant guards

Wide support base resists tipping over, even when bumped. Lightweight and portable to carry where needed. Heads can be tilted and positioned to direct air flow.

Floor or Wall-Mount—3GXW8 includes multifunction remote control. 3GXW8 and 4CH68 have a carrying handle with wall-mount option built into base. 19RR53 includes remote control and wall-mount plate.

Floor, Wall-, or Ceiling-Mount—Fans include a wall and ceiling bracket.

Office Box Fan and Stand

Box Fan—Slim square housing requires minimal floor space with a built-in handle for carrying and repositioning. Chemical-resistant 5-blade propeller. Ships fully assembled.

- 120VAC
- OSHA-compliant guards
- 6-ft. power cord

Roll-About Fan Stand—Allows fan to be raised 26" or 28" off the floor. Locking tilt adjustment allows the fan head to rotate 360° to direct air flow. Fan not included.

(Fan & Stand Sold Separately)

Oscillating Office Pedestal Fans

- 3-speed
- 120VAC
- OSHA-compliant guards
- 6-ft. power cord

Pivoting fan head turns 90° from side to side to blow air over a wide area in clean, dry environments. The fan head can also be locked in a fixed position for targeted cooling. Adjustable-height pedestal. 2EKZ1 and 2EKZ2 include remote control.

Oscillating Office Tower Fans

- 3-speed
- 120VAC
- OSHA-compliant guards
- 6-ft. power cord

Tall, slender fans can fit into corners and tight spaces to provide cooling while taking up minimal floor space. Wide-area oscillation for full-room coverage. Include multifunction remote control and electronic timer. 2EKZ5 features an air-purifying ionizer function.

Mobile Office Floor Fans with Wheels

- 3-speed
- 120VAC
- Locking tilt adjustment
- OSHA-compliant guards
- 9-ft. power cord

Fans can be easily rolled from one location to another wherever cooling is needed. Wide support base helps keep them from tipping over, even when bumped.

Roll-About Stand—Tiltable fan is positioned on included stand approx. 4 ft. off the ground for optimal air movement and mobility.

Mobile Tilt Carriage—Lightweight fan can be tilted 360° to direct air where it's needed. Includes a carriage with handle for mobility.
