Wall-Mount Air Cleaners

Fellowes

Free up floorspace and improve air quality by filtering out dust, lint, smoke, and other contaminants. Have 5 speeds and self-regulating sensors that continuously monitor air quality, room occupancy, and noise levels to provide maximum protection, on demand.

Air Cleaner for Ductless Systems

iWave

Features particle removal and VOC/odor neutralization technology that reduces dust, allergens, and other particles in the air to improve indoor air quality. Does not use filters or bulbs so it requires minimal maintenance.
