Duct and Fittings

GreenSeam Plus Snap-Lock Pipe is self-sealing duct for commercial and residential applications. Engineered with a LEED qualifying zero-VOC gasket; eliminates additional sealing along the longitudinal seams and transverse joint. When used with GSI sealed fittings, GreenSeam Plus system reduces energy costs and increases overall system efficiency. Each box contains five 5-ft. sections (25-ft. total). Note: Call 1-800-GRAINGER (472-4643) for specialty ordering information.

AMERIVENT

Chimney Liner Kits

Allow you to easily line a masonry chimney. Aluminum models are suitable for Category 1, gas-fired appliances with B-vent, or appliances with a draft hood. They include a liner, rain cap, flashing, B-vent connector, and mortar sleeve. Pull Downs 40LJ33 and 40LJ39 let you stretch and lead the flexible liner down the chimney.
