Light-Duty Pedestrian Cable Covers

Light-duty pedestrian cable covers protect power cords and electrical cable from incidental damage caused by light pedestrian traffic. They also provide a smooth surface to reduce tripping hazards.

CableTrak Hose and Cable Carrier System

- Easy assembly with flat-blade screwdriver
- Install vertically or horizontally
- Fiberglass-reinforced, nonabrasive black nylon

Flexible, self-lubricating carriers guide and protect hoses and cables installed between fixed and moving sections of a machine. Cable is installed through the carrier's flip-top for minimal abrasion. Excellent high-speed performance.
