

1-800-GRAINGER (472-4643)

Slotted Hook-and-Loop Cable Ties

They wrap around wire, cable, cords, and other materials and then fasten onto themselves. They can be pulled apart and refastened, so they're easier to adjust than other cable ties. They're also reusable, so they're ideal for bundles that frequently change size or need continuous access.

Buckle Hook and Loop 4YF28

Cut to Length Hook-and-Loop 2CNF4

Slotted Hook and Loop 4YF24

Tethered Hook and Loop 45FG93
