

LED Lanterns & Spotlights

Lanterns and spotlights provide more illumination than flashlights, shining light over a wider area or to a greater distance. Commonly used by search and rescue teams, first responders, and outdoor workers and enthusiasts.

LED Safety-Rated & Industrial Lanterns

Withstand heavy use in environments where they may be subject to dirt, grime, impacts, or other hazards. Their handle runs the length of the body for a balanced hold, and their flat bottom provides a stable tip-resistant base for hands-free use.
