

## Inspection Cameras

**Extech 55RV89**—Lightweight video borescope features detachable color TFT LCD for clear imaging. IP67 waterproof. Includes LED lamps. Complete with 2½-ft. flexible gooseneck cable, extension tools, batteries, and a soft carrying case.

**Extech 5CVT1**—Detachable, wireless color 3.5" LCD monitor. Borescope can also transmit date-stamped video and still images up to 32 ft. to any monitor with a video jack. 2 LED lamps. IP67 waterproof. Includes flexible cable, extension tools, micro SD card with adapter, USB and video interconnect cables, AC adapter, and case.

**Milwaukee 40KJ35 and 40KJ38**—Recordable inspection cameras can send high-quality 640 x 480 images and video to the 3.5" wireless LCD monitor from up to 30 ft. away, and save them on included 8GB SD card for later review. Use the 3-ft. cable option for complete control of the camera head and faster positioning. 40KJ38 has a 270° pivoting camera head for better visibility.

## Carbon Monoxide Meters

### AMPROBE

**4FKR1**—Displays CO level; adjustable alarm for alerts at 25 to 200 ppm.

### EXTECH INSTRUMENTS

**4FB71**—Has stabilized electromechanical gas-specific sensor.

**404K03**—Displays CO level; adjustable alarm for alerts at 25 to 200 ppm.
