

## Nonsterile Transfer Pipettes

Low-density polyethylene (LDPE) construction. Graduated pipettes offer more accurate volume measurement.

## Pipette Fillers and Controllers

**Pipette Fillers - Fixed Volume**—For use with graduated and plastic pipettes. Operate using one hand. Aspirate by rotating wheel.

**Pipette Controllers - Manual**—Adjustable volume Wheaton and DLAB models feature a large-capacity bulb, soft-action lever button, and efficient blow-out system.

**Pipette Controller - Electronic**—Adjustable volume 20AR73 offers an adjustable dial for speed setting, low pressure fingertip control buttons, and is rechargeable. Includes rechargeable battery, adhesive mounting bracket, rubber grommet/nosepiece, 0.45-µm pore filter, and 120 VAC power adapter/charger.

Range	Color	Brand	Item No.	Pkg. Qty.
<b>Pipette Fillers - Fixed Volume, Manual</b>				
2mL	Blue	Wheaton	23Y318	1
10mL	Green	Wheaton	23Y319	1
25mL	Red	Wheaton	23Y320	1

<b>Pipette Controllers - Adjustable Volume, Manual</b>				
0.1 to 100mL	Light Gray/Blue	Diab	21R854	1
0.1 to 100mL	Light Gray/Green	Diab	21R856	1
0.1 to 100mL	Light Gray/Yellow	Diab	21R857	1
0.1 to 100mL	Light Gray/Pink	Diab	21R858	1
1 to 100mL	Gray	Wheaton	23Y316	1
1 to 100mL	White	Celltreat	20AR73	1

## Serological Pipettes

■ Easy-to-read markings

Ascending and descending graduations ensure accurate pipetting. Calibrated "to deliver" (TD) to within the tolerance shown. Sterilized with gamma radiation.

**Lab Safety Supply**—Polystyrene pipettes with easy-to-read graduations printed in black ink, and premium-material filter plug. Color-coded stripes and packaging enable quick volume identification.

**Dynalox**—Made of crystal-grade polystyrene for improved clarity. Drawn tips allow every drop to drain freely. Cotton plugged. Nonpyrogenic to 0.01EU/mL. Bulk pack 4YMV2 has inner packs of 25.

Cap.	Graduation Subdivisions	Tolerance	L	Brand	Item No.	Pkg. Qty.

## Pipette Tips

■ For our full selection of tips, go to Grainger.com

Available in rack pack, hinged boxes, or resealable bags. Made from 100% virgin polypropylene and free of mold releasing agents/additives.

Filter Tips come with a hydrophobic polyethylene filter that serves as barrier against aerosols formed during pipetting.

Cap.	Color	Packaging	Brand	Item No.	Pkg. Qty.

## Pipette Storage Racks

Help protect your glass and plastic pipettes, avoid clutter, and keep them within easy reach. 8CCA0 and 3KWJ2 each come with two removable attachments that hold pipette bulbs, fillers, and pumps. 3KWJ2 has strong magnets on both sides for mounting on most metal surfaces.
