

Jigsaws

BOSCH

PORTER CABLE

Make straight and curved cuts in lumber, walls, floors, and ceilings. The narrow, straight blade allows users to cut curves and join corners more accurately than other handheld saws.

| Current | Max. Strokes per Minute | Stroke Length | Bevel Angle Range | Brand | Item No. |
|-------------------------|-------------------------|---------------|-----------------------|--------------|----------|
| Barrel Grip | | | | | |
| 7.0 A | 3100 | 1 in | 0° Left to 45° Right | Bosch | 44J823 |
| 7.2 A | 3,000 | 1 in | 0° Left to 45° Right | Bosch | 48XY66 |
