Industrial Premium-Duty Top Chests

- 14 ga.
- Keyed locking system
- Full-extension ball bearing slides on all drawers
- 500lb. largest max. drawer load capacity
- For cabinet compatibility, see Grainger.com

Support the heaviest loads compared to light- and heavy-duty chests. Hinged lids allow full access to top compartment. Stack on another tool cabinet or flat surface to provide space for organizing and storing tools and supplies.
