MRI Nonmagnetic Tools

Magnetic steel tools have the ability to be unexpectedly launched through the air causing serious injuries and significant damage to expensive MRI equipment. Using MRI-certified nonmagnetic tools helps protect employees and equipment for maintenance and repair work.

Milwaukee RIDGID Closet, Urinal, and Drain Augers

Auger helps for unclogging toilets, floor traps and aids in blockage removal. Flexible cable resists kinking and has an Integrated locking device, holding cable in place for easy telescoping extension. Milwaukee units feature electronically controlled rpm and torque power for tough clogs in tight traps. 31XN16 combination auger has left-hand wound cable with C-cutter head.

WESTWARD Hand Spinners

Clean drain lines up to 1 1/2 in.
