

Windshield Washer Fluids

Clean road film, grime, and bugs from windshield. De-Icer additive in select products helps defrost and also helps prevent washer freezeup.

Item	Freezing Point (°F)	Color	Brand	1 gal Item No.	55 gal Item No.

Windshield Wiper Blades

Note: Find more wiper blades on Grainger.com®. Search for "Windshield Wiper Blades."

Trico Force™—Features an aerodynamic spoiler that cuts through excessive wind speeds of up to 135 mph caused by cross and truck winds, and general traffic turbulence.

HD®—These wide saddle blades are designed for use on heavy-duty trucks, RVs, and buses

Exact Fit®—Provide the exact same fit as original factory blades for vehicles with conventional metal wiper blades.

Tech®—Feature Memory Curve Steel® beam that provides uniform pressure for a clean wipe.

30 Series—Have a precision-cut rubber edge for outstanding wiping action and conforms to highly curved windshields of later-model vehicles.
