Cordless and Air-Operated Grease Gun Kits

- Cartridge capacity 14½ oz.
- Bulk capacity 16 oz.
- Cartridge or bulk grease loading

For grease types up to NLGI Grade 2. Silver-color tube.

Cordless—49CT89, 49CT90, 30HL30, and 30HL31 feature stable 3-point stance. 1260 Series have an air purge valve and integrated hose holder.

1440 Series cycle indicator pin helps monitor grease output. 1840 Series with high-torque motor and high-capacity battery dispense up to 10 grease cartridges with a single charge.

Air-Operated—Variable-speed trigger. Advanced pump design helps eliminate priming problems. ¼" FNPT air inlet. Air operating range: 40 to 150 psi. 40:1 ratio.
