

5Z010

Hydraulic Cranes

Adjustable boom allows for multiple lift capacities. Lift capacity diminishes as boom lengths are extended. 3ZC71 has adjustable front and rear legs. 3ZC72 features space-saver design for compact storage.

Floor Crane

- A versatile, mobile shop crane with air/hydraulic pump
- Adjustable boom allows for multiple capacities in one crane
- Adjustable leg width: 22", 36", 50"

Hydraulic ram has metering release valve for lowering boom at a controlled rate. Legs easily adjust for clearance allowing user to move this floor crane where it's needed. Large 6"-dia. casters also make it easy to maneuver crane into position. Folds for compact storage.
