## Handheld and Shoulder Spreaders

Handheld broadcast spreaders feature 1-hole drop. Durable polypropylene construction resists corrosion. Shoulder spreader is ideal for areas where full-size spreaders can't go. Keeps product protected from weather. Trigger-controlled gate opening.

Cap.	Features	For Use With	Includes	Spread Width	Brand	Item No.
<b>Handheld Broadcast Spreaders</b>						
3.3 lb	Easy-Crank Design, Lightweight	Fertilizer, Salt, Seed	—	5 to 12 ft	Westward	483F40
3.5 lb	—	All Granular Materials	—	1 to 4 ft	Tolco	52PE53
<b>Shoulder Spreader</b>						
25 lb	680 cu in Capacity, Adjustable Gate with Trigger Control, Enclosed Container Keeps Product Protected From The Weather, Padded Adjustable Strap, Side Baffle Helps Direct Spread of Product	Fertilizers, Granular Herbicides, Seed Products	Padded Adjustable Shoulder Strap	8 ft	Chapin	416P38

## Tow-Behind Broadcast Spreaders

### ■ Pin-hitch mount

These spreaders feature enclosed gears, powder-coated steel tube frames, and pneumatic tires that roll easily over most terrain. 5NTR1 has powder-coated axle, sealed bearings, 12VDC electric gate, high-output auger feed, and fits a pin hitch.

Cap.	Drop Type	Spread W	Flow Control	For Use With	Includes	Brand	Item No.
85 lb	Broadcast	10 ft	Cable	Fertilizer	Broadcast Spreader	Agri-Fab	437R91
110 lb	Broadcast	10 ft	Cable	Fertilizer	Universal Hitch	Agri-Fab	437R88
130 lb	Broadcast	10 ft	Variable Gate Control	Fertilizer, Grass Seed, and Salt	—	Agri-Fab	49XW60
175 lb	Broadcast	10 to 12 ft	Rod	Fertilizer	Grate and Hopper Cover	Agri-Fab	437R92
185 lb	Broadcast	—	Rod	Fertilizer, Grass Seed, and Ice Melt	—	Agri-Fab	55VC72
3,500 lb	HO	Up to 30 ft	Electric	Salt	Hopper Screen and Cover	SnowEx	5NTR1

## Mounted Broadcast Spreaders

Rear-mounted spreaders with corrosion-resistant poly hoppers use 12VDC variable-speed motors to adjust the spread width area. 8XTT1 includes On/Off drop switch, mounting brackets, and hardware. Power train-operated spreader 5NTR0 has a 3-pt. hitch and manually adjustable flow rate. Rear-mounted spreader 5NTP9 has a powder-coated steel frame, 2 in receiver hitch, and hopper cover. Features electric-controlled flow gate and calibrated drop.

Cap.	Drop Type	Mount Type	Spread W	Flow Control	For Use With	Includes	Brand	Item No.
<b>ATV Rear-Mounted 12VDC</b>								
145 lb	1 Hole	Cargo Rack	5 to 45 ft	Variable Speed	Bait, Fertilizer, Granular Fungicides, Granular Herbicides, Granular Insecticides, Grass Seed, Ice Melting Pellets, Pellets, Powders	Motor Speed Control	Fimco	8XTT1
<b>Hitch-Mounted PTO</b>								
418 lb	Calibrated HO	3-Point Hitch	Up to 30 ft	Cable	Seed and Fertilizer	Cover	TurfEx	5NTR0
<b>Hitch-Mounted Electric 12VDC</b>								
240 lb	Calibrated HO	2 in Receiver Hitch	Up to 20 ft	Electric	Seed and Fertilizer	Cover, Deflector Kit	TurfEx	5NTP9
