## Cart Sprayers

Sprayers are mounted on wheeled carts to support heavy loads as they're rolled around a facility or grounds. Cart sprayers apply sealants to concrete or wood, cleaners to walkways or bathrooms, and fertilizers or pesticides to landscaping or green areas. 3XL41 and 56LG23 have adjustable nozzles.

## FIMCO® CHAPIN® TURFEX® Spot, Trailer, ATV, and Skid Sprayers

Sprayers are large enough to apply insecticides and herbicides to lawns, acreages, fence rows, and ditches. Fimco sprayers are made of corrosion-resistant poly and include a full-length drain sump and handgun nozzle. Chapin sprayers feature chemical-resistant tanks. 416P35 to 416P37 include a triple filtration system that helps extend life of sprayer.
