## Garden Tillers/Tools, Diggers & Augers

Scan. Order. Done.  
Details on page A1.

### Gas-Powered Tillers and Cultivators

**Tiller/Cultivator**—Features reversible, hardened-steel tines that provide a smooth tilling action. Worm gear-type transmission provides high torque and high tine rpm. Throttle control and water-resistant stop switch are easy for operator to reach.

**Cultivator**—Lightweight mini cultivator features 2 rear, 7" plastic wheels and a 3-pc. folding handle.

**Rear Tine Tiller**—Features forward and reverse gear drive. Includes 13" solid rubber tires and foldable, pistol grip handles. Fuel system oil mix to gasoline is not required.

Description	Tilling D	Tine L	Working W	Brand	Item No.

### Gas-Powered Earth/Ice Auger

- Max. Drilling Torque: 48.97 ft/lb
- Clockwise rotation

Ideal for most earth, snow, and ice drilling operations and is suitable for a variety of auger diameters. 2-cycle, 42.7cc engine offers variable throttle control. 30.2:1 gear ratio allows for fast cutting speeds. Frame assembly and heavy-duty handle help reduce vibration for greater operator comfort and allows for 2-person operation.
