

Portable Searchlights

- Horizontal axis rotation: 370°
- Vertical axis rotation: 135°

Powerful lights are designed to provide intense illumination for automotive, first responder, work truck, marine, military, and outdoor applications. They are UV- and saltwater-resistant. Remote control and mounting options include wireless handheld (H/H) or dash-mount, hardwired dash-mount, and handheld portable wired remote. Mounted searchlights are available with permanent mounting or portable magnetic-mount.
